Mr. Randy Fiorini, Chair  
Delta Stewardship Council  
980 9<sup>th</sup> Street, Suite 1500  
Sacramento, CA 95814

**Re: Draft Proposed Delta Plan Amendments for Conveyance, Storage and Operations**

Dear Chair Fiorini:

We are writing on behalf of BizFed, a grassroots alliance of over 160 business organizations that represent 325,000 employers with over 3 million employees in LA County, to express our support to providing a reliable water supply for California and restoring the Sacramento-San Joaquin Delta through your proposal to amend the Delta Plan.

We believe the Delta Plan provides key guidance to local, state and federal agencies and helps to coordinate their many actions related to water management. Particularly important are those actions that must be reviewed by the Delta Stewardship Council to ensure that they are consistent with the overall Delta Plan, such as a modernization of the existing water plan through the state-federal proposal known as California WaterFix.

The draft plan amendments before you acknowledge that the status quo in the Delta is unacceptable for both the Delta environment and the California economy. We agree with this assessment and the guidance to modernize the system by constructing new water intakes in a manner that protects the Delta as an evolving place. Amending the Delta Plan in this manner will provide important and balanced direction. We encourage you to initiate the necessary environmental review process to formally amend your draft into the Delta Plan.

Thank you for your consideration and your efforts to improve California water management, Delta science and restoration.

Sincerely,

Mike Lewis
